

TOYO R1R

The **Proxes R1R** is an ultra-high performance passenger car tyre that utilises motor sport tyre technology to provide tyre performance without compromise. Proxes R1R performance has been proven in the Toyo Drift Australia series and drift competition in Japan and the U.S.A.

FEATURES	BENEFITS
Aggressive directional tread pattern Tapered leading edges of the centre tread blocks	Exceptional resistance to aquaplaning Minimises tread block movement and improves aquaplaning resistance
Motor-sport inspired, silica reinforced tread compound. UTQG tread wear rating 140	Extreme levels of cornering grip in wet and dry conditions
Motor-sport style casing construction with steel side plies and wide steel belts	Extreme levels of cornering grip and immediate steering response
Extra wide footprint / contact patch
